

**LAMPO EMERGENCY****MODEL ERU11****ELECTRICITY - COMPRESSED AIR - WATER PUMP - LIGHTING****POWER GENERATOR :**

Intermittent power :	12.1 kVA (9.7 kW)
Continuous power :	11.0 kVA (8.8 kW)
Sound insulation :	Canopy 70dBA @ 7 m
Voltage :	3 x 415 V - 1 x 240 V - 50Hz
Connections :	1 x 32A 415V 5 pin CEE form outlet 1 x 15A 240V 3 pin outlet 1 x 10A 240V 3 pin outlet

PUMP :

Manufacturer :	Gorman-Rupp
Type :	T3A60S-B
Free solids passage :	63.5 mm
Electric motor :	5.5kW
Controls :	Variable speed drive
Maximum speed :	1700rpm
Maximum flow / pressure :	27 l/s / 22 m
Suction lift :	- 7.6m
Suction / Discharge ports :	3" (DN80) quick couplings (Bauer or others on request)
Suction piping :	2 x Rubber hose DN80 2 meters 1 x Galvanized steel pipe DN80 2 meters 1 x Sewage suction strainer 1 x Bin suction strainer (low water level)
Discharge piping :	1 x Flat delivery hose DN80 25 meters

LIGHTING TOWER :

Lamps :	IllumiLED
Power :	4 x 100 W 90° lens
Light flux :	61,400 Lumen
Colour :	5,000 K White
Rotation :	360°
Mast height :	Stowed : 2.0 m / Deployed : 6.0 m

AIR COMPRESSOR :

Capacity :	6.0 liters
Maximum pressure :	8.0 bar

ENGINE :

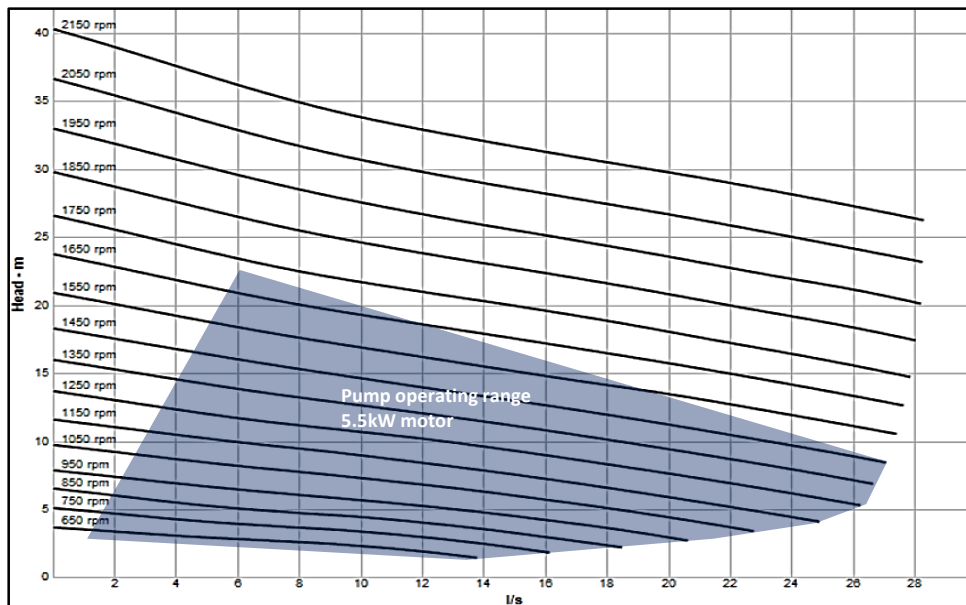

Manufacturer :	Yanmar
Model :	3TNV76
Capacity :	1.1L - 3 Cylinders
Cooling type :	Liquid
Fuel tank :	50 liters Diesel Fuel (10h operating time)
Controls :	ComAp IntelliLite MRS16
Display :	Voltage, Amperage and Frequency indicators, Tachometer, Hourmeter, Fuel level, Alarms

Lampo Emergency
by**Euromachine**
GROUP FORCE

TRAILER SPECIFICATIONS :

Type of trailer :	4-Wheeled double axle over-the-road trailer
Capacity :	2900 kg (ATM)
Deck, sides, guards :	Checker plates, including mudguards, front and side tie rails
Floor dimensions LxWxH :	2750 x 1500 x 320 mm
Finish :	Hot dip galvanized
Wheels and tyres :	New 185R14 light truck tyres on 5 stud rims
Brakes :	Electric brakes
Lights :	LED lights including clearance lights on guards
Accessories :	8" Swing up jockey wheel Min 200L alloy checker plate toolbox 4 x Corner steady drop down leg Spare wheel

PUMP PERFORMANCE RANGE :

OPTIONS :

Portable pumps : Submersible pump 3" AMT 5763-95B 1 x 230 V
Submersible pump 1 1/2" AMT 5890-DC 12 VDC
Including 1 x Flat hose 1 1/2" (DN40) 20m

Other pumping equipment : On request

Portable trash pump

Hose kit

Portable high pressure pump
